413 N. Pearl Street
Albany
New York
12207
USA

In respect of:

The manufacture of base metal casting alloys for crowns, bridges and partial dentures; base metal casting alloy accessories - hinges, latches, dental solders, dental clasp (wrought) wire and weld rods; and denture resin, liquids and powders and acrylic teeth.

on the basis of our examination of the quality assurance system under the requirements of Council Directive 93/42/EEC, Annex V. The quality assurance system meets the requirements of the directive. For the placing on the market of class IIb and class III products an Annex III certificate is required.

For and on behalf of BSI, a Notified Body for the above Directive (Notified Body Number 0086):

Frank Lee, EMEA Compliance & Risk Director

First Issued: **07 January 1998**

Date: **03 February 2017**

Expiry Date: **06 January 2018**

...making excellence a habit.™

Validity of this certificate is conditional on the quality system being maintained to the requirements of the Directive as demonstrated through the required surveillance activities of the Notified Body. This approval excludes all products designed and/or manufactured by a third party on behalf of the company named on this certificate, unless specifically agreed with BSI.

This certificate was issued electronically and is bound by the conditions of the contract.
